

February 10, 1987

REPORT TO THE HONORABLE  
MAYOR AND CITY COUNCIL  
"CURLEW (E-1) PARCEL 6" - LIABILITY ISSUES IN THE EVENT OF CITY  
ACQUISITION FOR OPEN SPACE

Please see the attached report, dated January 26, 1987,  
regarding the subject of potential liability in connection with  
the acquisition of open space in the area of Curlew Street.

At the Public Facilities and Recreation Committee meeting  
there was certain discussion of new or proposed legislation which  
would protect the City against liability if it were to acquire  
the subject parcel. This office is unaware of any new or  
proposed legislation which would give immunity to the City for  
any damages which may result from circumstances such as those  
described in the attached report.

Therefore, this office continues to recommend against  
acquisition of the subject property.

Respectfully submitted,  
JOHN W. WITT  
City Attorney
